PENN TOWNSHIP AMBULANCE

STATE OF READINESS CAMPAIGN

Licensed EMS Provider
Pennsylvania Department of Health

To continue to provide the highest quality of emergency medical services that you have come to expect, we are being challenged with employing qualified and committed personnel. We must have the means to match qualified staff with state-of-the-art equipment to provide effective services. Your contribution gives us the ability to render life support services.

Penn Township Ambulance Facts:

- Responded to over 2,500 911 calls last year
- Professionally staffed 24/7 every day of the year
- A 501C3 Non-Profit organization
- Technical/Water Rescue Team
- Advanced Life Support Services
- Licensed by the PA Department of Health
- AHA Mission Lifeline Gold Plus Level Provider
- Master Level Pediatric Care Provider
- Child Safety Seat Inspection Station
- Operation Lifesaver Presenters
- AHA CPR-AED-First Aid & Stop the Bleed Class

With nearly 70% of our neighbors opting out of contributing to help our mission of saving lives, we are asking you to bring that percentage down by donating.

We are all experiencing a cost of living increase that is creating a burden in how we distribute our income. Like you, we are also experiencing this struggle. 80% of our expenses are wages to pay our professional personnel. Year 2025 we will be forced to increase the Plan Fees by no less than \$5.00. More of our neighbors must donate to keep our EMS system effective for those that need life support services. As a 501C3 non-profit agency any contribution amount is tax deductible. Local taxes account for less than 20% of our annual funding.

Plan to attend our Golf Outing on August 25, 2024.
